There are
no finer gin drinks
than the
ones you make with
SEAGRAM'S
GOLDEN GIN

Because Seagram takes the extra time to put its gin through an exclusive and original

Extra step that is not used in the manufacture of the usual types of gin, the result is a gin literally

Timed to perfection. This extra step gives Seagram's Gin the time to mellow its taste to remarkable satiny smoothness and extra dypness . . . while its color mellows naturally from white to soft and subtle gold.

That's why you get more from your gin drinks when you use Seagram's Golden Gin.
